PARTNERSHIP FOR NEW YORK CITY ENDORSES THE RAVITCH PLAN

STATEMENT FROM KATHRYN S. WYLDE, PRESIDENT & CEO

NEW YORK, March 19, 2010 – “The Partnership for New York City endorses the financial plan put forward by Lieutenant Governor Richard Ravitch. This is the single most important action that New York State could take to demonstrate its commitment to fiscal discipline and a competitive business environment.”

“Business is emerging from the global recession prepared to make major investment decisions to determine where future employment centers will be located. Companies will look elsewhere if New York does not prove its commitment to fiscal responsibility and economic growth.”

The Partnership for New York City (www.pfnyc.org) is a network of business leaders dedicated to enhancing the economy of the five boroughs of New York City and maintaining the city's position as the center of world commerce, finance and innovation. Partnership companies account for nearly 7 million American jobs and contribute over \$740 billion to the national GDP.
