### **STATEMENT FROM KATHRYN WYLDE, PRESIDENT & CEO OF THE PARTNERSHIP FOR NEW YORK CITY, ON MAYOR BLOOMBERG'S 2011 STATE OF THE CITY ADDRESS**

*NEW YORK, January 19, 2011 - "Mayor Bloomberg laid out plans to sustain the city's economic growth, hold the line on taxes and promote the expansion of entrepreneurial activity that generates new jobs. The business community supports this agenda and will join the Mayor in efforts to insure that Albany does not balance the state budget on the backs of the city's taxpayers."*

*The Partnership for New York City's ([www.pfnyc.org](http://www.pfnyc.org)) mission is to engage the business community in efforts to advance the economy of New York City and maintain the city's position as the center of world commerce, finance and innovation. Through the New York City Investment Fund, the Partnership contributes directly to projects that create jobs, improve economically distressed communities and stimulate new business creation. Partnership companies account for nearly 7 million American jobs and contribute over \$740 billion to the national GDP.*
